

Deliver to the World and Beyond

With 15 deepwater seaports, 19 commercial service airports and 3 spaceports, Florida can get your products around and out of this world quickly.

Did you know?

In addition to moving more than \$135 billion in goods that flow through our ports every year, Florida's expansive infrastructure is built to support the 21+ million residents and 100+ million tourists who use our ports and roadways annually.
