

WHY FLORIDA

Consistently ranked one of the best states for business, Florida is committed to keeping regulatory requirements and business taxes low. That and a strong economy and zero personal state income tax make it a great place to do business.

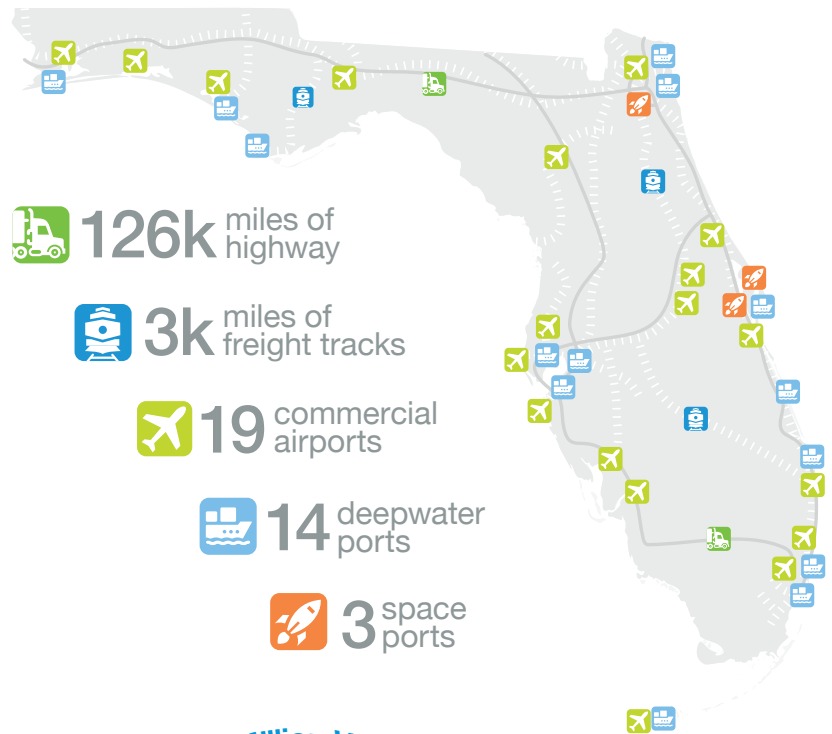

USEFL Connections

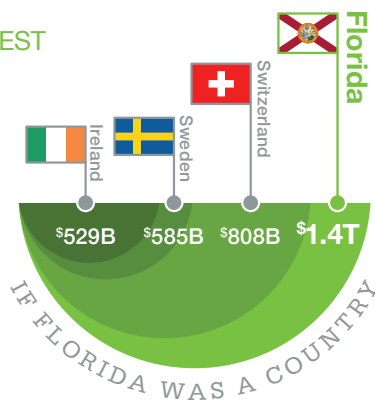

Bring your business to the world.

When your business can be everywhere, there's no limit to how far you can take it.

Success today requires global access. Florida is the leading commercial gateway to the Americas, and the principal commercial gateway to Latin America and the Caribbean. The state has attracted nearly \$100 billion in foreign direct investments due to its huge customer base and unique global position.

MEANINGFL Innovation

Some states promise the moon. We can take you there.

Florida isn't just ready for the future; we are the future.

Technology, creativity, and exploration converge in Florida. Known as the world's premier gateway to space, we're one of the largest exporters of high-tech goods. We boast more than 327,000 tech-forward employees and add more than 22,000 new STEM graduates to that workforce each year.

SKILLFL Talent

Deploy a diverse workforce ready to change the world.

The only thing as impressive as our current workforce of 11+ million is our future one. Home to three of the ten largest universities in the country, our colleges and universities are among the nation's top performers in R&D and commercialization of technologies.
