

PREPARED WORKFORCE

Unleash your potential with
a growing well of talent and
innovation built by the country's
#1 higher-education system.

SKILLFL Talent

Deploy a workforce
designed for business.

We help you succeed with today's talent
while preparing tomorrow's.

Florida's talent pipeline enhances its state-of-the-art infrastructure. The state's colleges and universities work closely with the business community to build programs that reflect the needs of Florida industries. With over 114,000 bachelor's degrees awarded yearly, Florida ranks fourth in the nation in graduates.

BOUNTIFL Potential

The only thing as impressive as our current workforce is our future one.

Home to three of the ten largest universities in the country, our colleges and universities are among the nation's top performers in R&D and commercialization of technologies. Nearly 30% of state university undergraduate degrees awarded are in the STEM fields.

12 public universities

28 state colleges

48 technical colleges
Accredited by the Council on Occupational Education (COE)

All Floridians live within 50 miles of a post-secondary education institution.
