Nicknamed "The Granddaddy of 'Em All," the Arcadia All-Florida Championship Rodeo draws top athletes and big crowds to its events.

Explore the outdoors in brand new ways: Speed down the river on an airboat, hit the trails on horseback, and enjoy the sugar sand beaches of Siesta Key.

The Peace River holds one of the U.S.'s highest concentrations of fossils, yielding fertile ground for mammoth bones, shark teeth small and large, and other memorable finds.
